Programme Description

Dive into the evolving world of sustainability reporting with **Esther An**, a seasoned sustainability leader with over 30 years steering reporting strategies for multinational corporations and advising boards on global standards like ISSB and TCFD. Through her practitioner's lens, this masterclass unpacks **key challenges, sidesteps common pitfalls**, and arms you with **practical approaches** to excel—while **spotlighting emerging trends set to redefine reporting in 2026 and beyond**.

Gain exclusive insights into the real-world realities, hard-won lessons, and bold future directions from one of the industry's foremost voices. **Perfect for directors and executives ready to future-proof their disclosures.**

Don't miss this game-changing session, secure your spot today.
