Programme Description

National Climate Governance Summit 2026 (NCGS 2026) | Resilience in a Hothouse World

Overview

The NCGS 2026 is Climate Governance Malaysia's flagship annual convening platform, bringing together leaders across business, government, finance, academia, civil society, and youth to advance climate governance and accelerate meaningful climate action.

Now in its fourth year, NCGS continues to grow as one of Malaysia's leading climate governance platforms — convening strategic conversations, practical solutions, and cross-sector collaboration.

Taking place from 3-7 August 2026 at Sasana Kijang, Kuala Lumpur, this year's theme: " Resilience in a Hothouse World " reflects the urgent need for organisations, institutions, and communities to move beyond commitments towards credible, governance-led adaptation and transition strategies in an increasingly volatile climate landscape.

Introducing the NCGS Impact Pledge | Your Commitment to Climate Action

NCGS 2026 Impact Pledge: From Conversation to Climate Action

The **NCGS Impact Pledge** is a **leadership commitment** designed to encourage climate action beyond the summit itself.

While participation and dialogue remain central to NCGS, participants are **encouraged to translate ideas** and **insights** into **practical actions** within their organisations, workplaces, communities, or personal lives. Participants who commit to the pledge **during registration** using the **designated code** will be **granted access to NCGS 2026 at no cost**, in place of the standard RM1,000 registration fee.

The pledge is **voluntary** and **honour-based**. Participants who complete their pledge will receive an **NCGS Impact Pledge Certificate** in recognition of their commitment. Participants **who choose not to complete** the pledge will **not be subject to any payment obligation**.

CGM Hornbill Awards 2026

Recognising Malaysia's most impactful conservation and nature-based solution projects.

As a flagship feature of NCGS 2026, the Hornbill Awards brings together NGOs, community organisations, and conservation leaders to showcase innovative solutions for biodiversity protection and climate resilience.

Eight finalists will present their projects live before an expert judging panel and receive dedicated exhibitor space during NCGS 2026.

Attend NCGS 2026 at No Cost

By entering the pledge code "**NCGS2026**" during registration, participants begin their pledge journey — a voluntary commitment to turning summit learning into real-world climate action.

Participants who complete the pledge will receive an NCGS Impact Pledge Certificate, while those who choose not to complete it will not be subject to any payment obligation.
