- ✓ Chrome browser with version 79 or higher(recommended) on laptop or desktop.
- ✓ Updated browser and operating system
- ✓ Internet Speed Requirement
Minimum upload speed of 5 Mbps and download speed of 10-12 Mbps
- ✓ Close all other applications / tools accessing mic and camera in the background

Disable

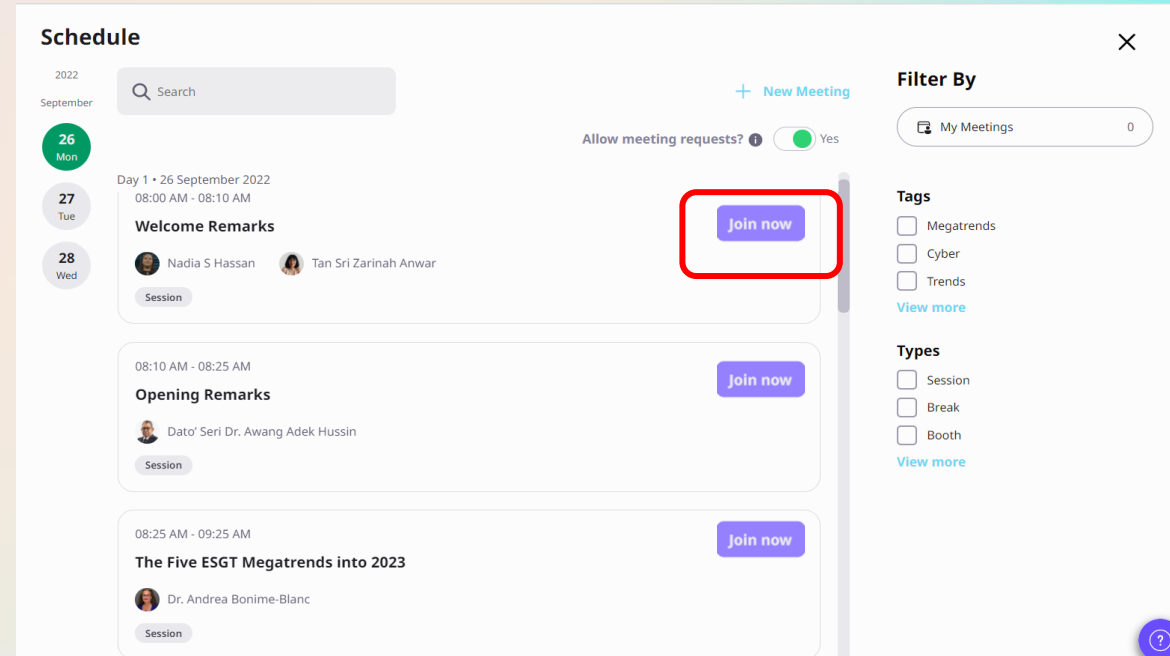

- ✓ VPN & Firewall
- ✓ Ad blockers if any

HOW TO JOIN A SESSION

1) On the reception page, click **“View Schedule”** at the top left navigation menu of the screen

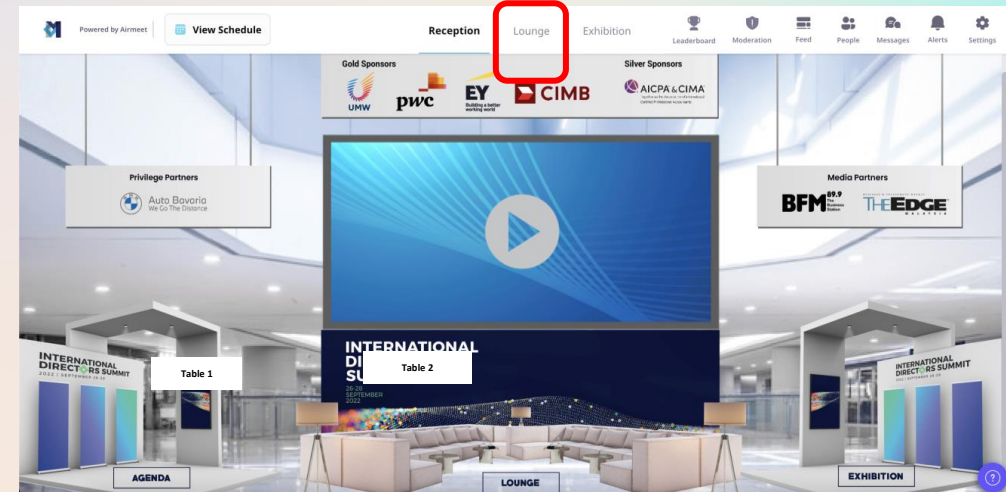

2) On the schedule page, click **“Join now”**

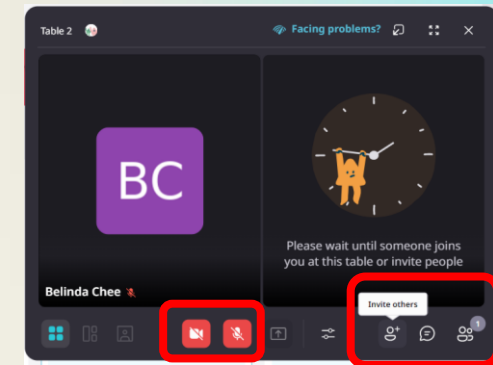

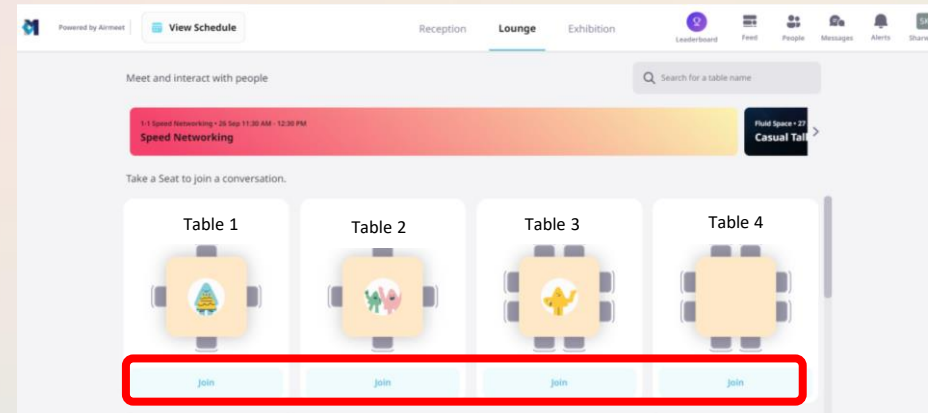

3) The **“View Schedule”** will always appear on the top navigation bar on your screen so you can join any of the sessions from anywhere on this platform.

HOW TO JOIN A NETWORKING SESSION

1) On the reception page, click on **“Lounge”** at the top navigation menu of the screen

2) At the Lounge page, click **“Join”** to join any of the tables. In each networking session/group, the participant can switch on their video and audio, invite others to join the table and also chat.

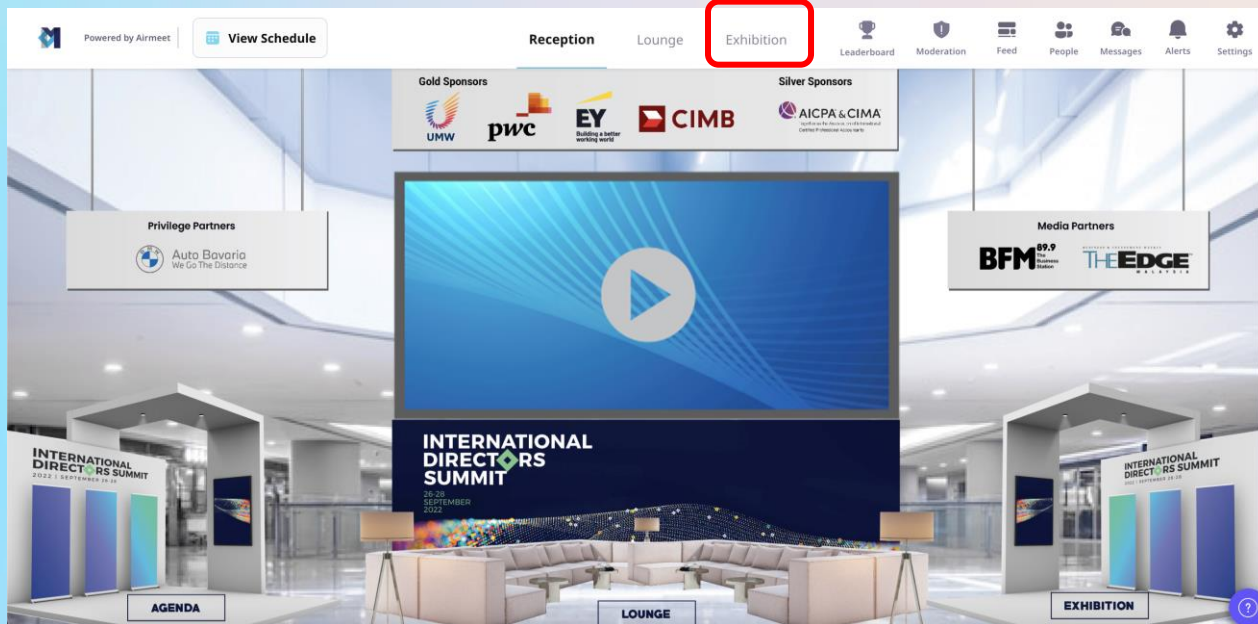

3) Or alternatively, you can discover other participants by clicking the **“People”** icon at top right navigation menu and also send direct messages.
