CIMA® Global C-Suite Business and Finance Programme

Join an exclusive community of elite finance leaders and gain visibility on the global stage with the [Global C-suite Business and Finance Programme](#).

The programme accelerates your path to CIMA membership and the Chartered Global Management Accountant® (CGMA®) designation by building on your existing experience.

Through this programme, you need only sit the last exam of the CIMA's CGMA Professional Qualification, the Strategic Case Study (SCS). The SCS exam focuses on applying strategic management accounting techniques in business decision-making, which enhances your value as a C-level leader.

Who should take advantage of this programme?

C-level executives and members of senior management with at least 10 years of experience in finance or business functions.

Join this programme to:

- Drive business success across sectors with data-driven financial insights for strategic decision-making, meeting business needs in a digital age.
- Develop broader leadership skill sets to influence and inspire others in changing times.
- Join a global network of 689,000 finance leaders and professionals through the Association of International Certified Professional Accountants®, which combines the strength of CIMA and the American Institute of CPAs® (AICPA®).
- Gain exclusive access to global networking opportunities.
- Become a member of the world's leading professional accounting body.

'The programme ... elevates my status within Deutsche Bank Group, which operates in multiple jurisdictions. The programme also equips me with the relevant knowledge and technical understanding that is imperative for my career progression'.
